

THE 360° INSPECTION TOOL BRINGING ULTIMATE TRANSPARENCY AND ACCESS TO YOUR INVESTMENT PROPERTY

Virtual Tours is the latest tech from Inspection Express, enabling clear and detailed 360 degree inspections of properties within minutes.

This new tech enables your Property Manager to provide the highest level of service, transparency and accountability of your investment property.

WHAT ARE THE BENEFITS TO YOU?

FASTER LEASING PROCESS

Your property is leased much faster when prospective tenants can view a virtual tour online & apply before viewing

FULL TRANSPARENCY

Having a 360 degree virtual video replica of your property makes end of tenancy disputes highly unlikely

MINIMISED EXPENSES & DELAYS

Forget paying and waiting for trades to quote jobs. We simply send them a virtual recording for on the spot quotes

PINPOINTED MAINTENANCE

Maintenance can be pinpointed directly to the source on the virtual tour making quoting & identifying issues that much simpler

UNRIVALLED ACCESS TO YOUR PROPERTY

If you haven't had the opportunity to view your property in a while, now you can from the comfort of your home

CLEAR VISION OF YOUR PROPERTY

Say farewell to hard to see, blurry thumbnail images

NEW INVESTMENT OPPORTUNITIES

Overseas investors can view their property, or other potential investments from anywhere in the world

IT'S A GAME CHANGER.
